1. The prices agreed in this contract correspond to those at which my client sells its products to wholesalers in international markets, who acquire hundreds of thousands of items constantly through financing.
2. We are not related companies according to the legal provisions of Mexico, and if we are, this situation does not affect the purchase and sale prices between buyer and seller.
3. The competent authorities of the Ministry of Finance and Public Credit of Mexico can at any time corroborate the veracity of what is declared in this contract with their counterparts in China.
4. Our trade policies do not fall within those defined as unfair trade practices indicated by the WTO within the GATT, and in force in the Foreign Trade Law in Mexico, likewise, we do not engage in practices of forced labor or modern slavery.
